### **Pray Without Ceasing!**

*"When we pray, we talk to God, and when we read the Scripture, God talks to us."  
(St. Augustine)*

For some Sundays, we have been reading Paul's letter to Timothy in our second reading, filled with words of exhortation, encouragement, and admonishment. This Sunday's second reading (2 Timothy 3:14-4:2) points out clearly that the Scriptures are inspired Word of God, which is "useful for teaching, for refutation, for correction, and training in righteousness, so that one who belongs to God may be competent, equipped for every good work." God speaks to us through the scripture. Sometimes it becomes difficult to know the message God is giving us, especially when we read the Old Testament stories of war and killing. However, if we read the scripture between the line and within the context, we can get the message.

In our first reading today (Exodus 17: 8-13), the victory of the Israelites' army led by Joshua over the Amalekites through the perseverance and persistence of Moses. He interceded on their behalf by relentlessly raising the staff of God. The gospel of today (Luke 18:1-8), the parable of the persistent widow, was chosen on the background of the perseverance and persistence of Moses. This parable encourages us to pray without ceasing. Our perseverance and persistence in prayer is an act of faith through which we continue to feel the presence of God in our lives. Our faith reminds us that no prayer goes unanswered; instead, in answering our prayers, God grants us our requests or gives us the disposition to accept his will.

God, who loves us infinitely, knows the best for us and answers our prayers according to his best will. His will, as our faith teaches us, will not take us to a place where his grace will not abide with us. God wants our prayer life to be ongoing and not only when we need something, thereby making him the only God of emergencies. He wants us to pray in season and out of season. Our Catholic traditions have blessed us with different forms (vocal, contemplative, and meditative prayer) and expressions (Adoration-praise, thanksgiving, forgiveness, petitions) of prayers. Of these forms and expressions of prayers, which ones are part of your life? Let us ask the good Lord to help us make prayer part of our daily life and pray without ceasing. Amen.

We look forward to our parish fiesta this coming weekend, Friday, October 21st to Sunday, October 23rd. The parish fiesta is an excellent opportunity to have fun as a parish community and to support the parish. We hope you will be there to enjoy the weekend after the three years we have missed it. We would also like to invite you to celebrate Cabrini Week as SFC Community (parish & school) in honor of our patroness, St. Frances Cabrini, whose feast day this year falls on Sunday, November 13th. The vision is to celebrate Cabrini Week with spiritual/devotional, academic, catechetical, liturgical, cultural, and social programs. One of the week's highlights will be the celebration of intercultural Mass to celebrate the beauty of cultural diversity in our parish community. We will keep you posted with the details of the week's events.

**St. Frances Cabrini, Pray for us!**

**Reconciliation** is held in the church library every Saturday from 3:30pm to 4:30pm, and on the **First Friday** of each month during **Adoration of the Blessed Sacrament**, from 9:30 AM to 10:30 AM and again at 5:30 PM to 6:30 PM.

#### Treasures from Our Tradition

Although the hours of daylight are rapidly dwindling, many people would say that these October days bring the year's most splendid weather. Americans are riders and joggers, not strollers, and so the pleasures of the season are often lost on us. This is not the case with many Jewish people, who observe an ancient rule in walking to synagogue on the Sabbath. On city streets and suburban sidewalks in many cities, we may notice around sunset the nicely dressed families walking and chatting on Friday afternoon. After a short prayer at dusk, the families stroll home again for a relaxing and festive meal. They return to synagogue in the morning, and then spend an afternoon in family leisure until three stars appear in the night sky and Sabbath ends.

Catholics, on the other hand, pile into the car and drive even a short distance to Mass; some even divide the family to participate at different hours. For Jews, the leisurely walk marks a dividing line between hectic life commitments and a day of abundant joy and enrichment. Before we became an automobile culture, Catholics embraced a similar pace, and in most places walked to church. These lovely days of fall invite us to tap into an old and life-giving tradition. If you live within a mile of your church, walk next week. If you must drive, park at a good distance and walk the rest of the way. Talk about your life, greet strangers, notice the crunch of leaves under your shoes. You may be surprised at how different Sunday Mass feels when it is framed by leisure!

**Feast Day: November 13th**

**For Discernment:** My Jesus, I have not always recognized your loving plans for me. Every day, with the help of your light I learn more about your loving care. Continue to increase my awareness of the gentleness of your loving plans. I want to follow the purpose for which I was created. See, I am in your hands. Help me to choose the best way to serve you. Walk with me, Jesus. Stay by my side and guide me! Amen

**For Anxiety-** Jesus, fortify me with the grace of your Holy Spirit and give your peace to my soul that I may be free of all needless anxiety, solicitude, and worry. Help me to desire always that which is pleasing and acceptable to You so that your will may be my own. Amen

**Surrender to Jesus-** My loving Jesus, I enclose myself to you and surrender myself completely in your loving Heart... Enlighten my mind with a ray of your light, move my heart and soul and make me do whatever pleases you and is for your greater glory. Jesus, I love you so much...but I am so weak that in my ignorance and sinfulness I still do not know how to correspond, even partially, to all the special graces and loving tenderness with which you surround me. I will think of you and rest in you, my beloved Jesus. Behold your servant — do with me whatever you want! Amen

On October 2, our teens in the Youth Ministry group had their second gathering in the gym. Seven students from SFC and four Highschoolers came to the gym after attending the Youth Mass. We are hoping to get more teens to come and join the food, fun, and friendly group discussion next time.

We started the gathering by enjoying pizza and some drinks, and Mrs. Poirier baked some cookies to share with them. We played games led by the Kearns family. Once we were ready to sit down, we played the short video "The Invitation" from FORMED. In that video, we watched how God touched Nick's heart in such a way that Nick experienced a strong call in him to look more into his faith life as a young man. Nick answered God's unique call with a "YES". Not everyone could give a quick and straightforward answer to God's call. Many of us struggle even to understand how God calls us. In the video, we are encouraged to revisit the heart of the Gospel message about 'God's invitation'. It may seem overly simplistic, but from the person newest to the faith to the greatest of saints, we all need to repeatedly return to this basic proclamation. This is why our Catechetical Program this year invited everyone to attend the Teaching Mass last week, celebrated and taught by our pastor Fr. James. Fr. James used his teaching talent to teach us passionately. Many parishioners and parents gave positive feedback, telling me that teaching Mass had helped them see "Mass" from a different understanding and that all of them learned something new from Fr. James' explanation about the Liturgy and the Eucharist. Teaching Mass is another way for us to look and feel the message of the Gospel, the love letter from God to us.

"Youth group is a fun way to learn more about my faith. Everyone should join."

Next month, on November 6, the Youth Ministry session will discuss the meaning of Thanksgiving Day in our life as Christians. We will also make Christmas tree ornaments to decorate our Christmas tree that will be displayed at "Christmas in the Park" in downtown San Jose. To make this effort a community activity, we are asking for donations of materials for our teens to make the ornaments. If you want to donate the materials, please pick one leaf from the "Thankfulness Tree" in the vestibule; each leaf has an item we request. Please purchase the item for us and drop them off at the parish office before the end of October. We will be very grateful for your participation and donation!

## PICK OF THE WEEK

**Presence: The Mystery of the Eucharist**

Although the Eucharist appears to be simple bread and wine, it is actually the "source and summit" of the Christian life. *Presence: The Mystery of the Eucharist* explores the truth and beauty of Christ's real presence in the Eucharist, from its origins in Sacred Scripture, to its profound role in the life of the Church and her members. It is the crescendo of the entire story of salvation.

**School Traffic Reminder**

Please drive carefully while using the streets around our school and while on campus. We have received several complaints about speeding in the neighborhood. The Sheriff is partnering with us to help slow the traffic. The stop sign at Woodard and Esther is particularly concerning because the intersection is very spread out. Please be extra cautious when coming through the intersection. We have also noticed increased handheld cell phone usage by those driving vehicles.
